"I have been asked who put on the best show doing Buddy Holly. The guy I enjoyed hearing the most was Johnny Rogers. I'm also impressed with the way he does other artists and I would like to hear him again.. His performance, look, and mannerisms remind me of my brother." – **Larry Holly (Buddy Holly's brother)**

"Johnny does the best Buddy Holly I've ever seen. I must say Johnny is the best showman I've ever performed with. I don't think there's anything he can't do." – **Tommy Allsup (Buddy Holly's former guitarist)**

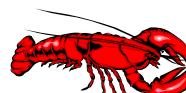

Step into a musical time machine with The History of Rock N' Roll Show, an electrifying tribute starring the incomparable Johnny Rogers. From the birth of rockabilly to the glory days of classic rock, Rogers brings to life the legendary sounds of Elvis Presley, Buddy Holly, Jerry Lee Lewis, Chuck Berry, Johnny Cash, The Beatles, Roy Orbison, and many more!
